Dear Supervisors:

**DEPARTMENT OF PUBLIC WORKS:
FRANKLIN D. ROOSEVELT PARK – UNINCORPORATED COMMUNITY
OF FLORENCE-FIRESTONE
AMERICANS WITH DISABILITIES ACT IMPROVEMENTS PROJECT
ADOPT, ADVERTISE, AND AWARD CONSTRUCTION CONTRACT
SPECS. 7058; CAPITAL PROJECT NO. 87075
(FIRST DISTRICT) (3 VOTES)**

SUBJECT

The recommended actions will adopt plans and specifications, allow advertising for construction bids, and delegate authority to the Director of Public Works to award and execute a construction contract for the Franklin D. Roosevelt Park - Unincorporated Florence-Firestone Community Americans with Disabilities Act Improvements Project located in the unincorporated Florence-Firestone community.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt plans and specifications for the Franklin D. Roosevelt Park - Unincorporated Community of Florence-Firestone Americans with Disabilities Act Improvements Project at an estimated construction cost of \$240,000, and instruct the Executive Officer of your Board to advertise the project for construction bids to be received and opened on February 22, 2011, in accordance with the Instruction Sheet for Publishing Legal Advertisements.

"To Enrich Lives Through Effective And Caring Service"

**Please Conserve Paper – This Document and Copies are Two-Sided
Intra-County Correspondence Sent Electronically Only**

2. Authorize the Director of Public Works to execute a Consultant Services Agreement with the apparent Lowest Responsive and Responsible Bidder to prepare a baseline construction schedule for a \$1,000 not-to-exceed fee funded by the existing project funds.
3. Delegate to the Director of Public Works the authority to determine, in accordance with the applicable contract and bid documents, whether the apparent Lowest Responsive and Responsible Bidder has timely prepared a satisfactory baseline construction schedule and satisfied all conditions for contract award, including the criteria adopted by your Board for contract award. Upon determination that all such conditions have been satisfied, authorize the Director of Public Works to award and execute the construction contract, in the form previously approved by County Counsel, to the apparent Lowest Responsive and Responsible Bidder, and to establish the effective date of the contract upon receipt of acceptable performance and payment bonds and evidence of required contractor insurance.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will adopt plans and specifications, authorize advertising for construction bids and the Director of Public Works to award and execute a construction contract for the Franklin D. Roosevelt County Park Americans with Disabilities Act (ADA) Improvements Project located at 7600 Graham Avenue, Los Angeles, California 90001. The Adopt, Advertise and Award process is recommended to expedite the delivery of the project to meet the timeline requirements of the grant, Community Development Block Grant-Recovery Program Grant (CDBG-R).

The proposed project will include upgrades to the parking lots, restrooms, drinking fountains, multipurpose ball field, and accessible paths of travel to park facilities to comply with current ADA requirements.

The proposed Consultant Services Agreement requires the apparent Lowest Responsive and Responsible Bidder to prepare a baseline construction schedule that conforms to the County's schedule specification, which is critical to successfully manage construction activities by both the contractor and the County. Bid specifications provide that if the apparent Lowest Responsive and Responsible Bidder fails to complete an acceptable construction schedule, the Director of Public Works may return to your Board to recommend that the bidder be determined nonresponsive and recommend awarding the construction contract to the next apparent Lowest Responsive and Responsible Bidder, contingent on that bidder completing a baseline schedule that conforms to the County's specifications.

It is anticipated that construction of the project will begin in April 2011 and be completed in August 2011.

Sustainable Design Program

In accordance with your Board's sustainable design program, water saving plumbing fixtures will be installed in the upgraded restrooms.

Implementation of Strategic Plan Goals

The proposed project supports the County's Strategic Plan Goals of Operational Effectiveness (Goal 1), Children, Family, and Adult Well-Being (Goal 2), and Community and Municipal Services (Goal 3), by investing in public infrastructure that will enhance recreational opportunities for County residents.

FISCAL IMPACT/FINANCING

The total project cost estimate is \$400,000, including plans and specifications, plan check, construction contract at \$240,000 based on Public Works' fair construction estimate, change order contingency fund, consultant services, miscellaneous expenditures, and County services. The Project Schedule and Budget Summary are included in Attachment A.

The project is funded by a \$400,000 CDBG-R Grant. This funding is part of the American Recovery and Reinvestment Act of 2009 administered through the Community Development Commission.

Sufficient appropriation is available in the Fiscal Year 2010-11 Capital Project/Refurbishment Budget under Capital Project No. 87075 to fully fund the project.

Operating Budget Impact

Based on the project description, the Department of Parks and Recreation does not anticipate any one-time costs or any increased ongoing operating costs. The project provisions have maintenance requirements that will be fulfilled with existing park staff and resources.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Pursuant to your Board's Civic Art Policy as revised on November 5, 2008, the proposed project is exempt from the Civic Art fee as the project cost is less than \$500,000.

The contract will be in the form previously reviewed and approved as to form by County Counsel. The recommended contract will be solicited on an open competitive basis and is in accordance with applicable Federal, State, and County requirements.

The contract will contain terms and conditions supporting your Board's ordinances, policies, and programs, including, but not limited to, County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN/GROW) Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice of Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contract Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; and the Los Angeles County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; and the standard Board-directed clauses that provide for contract termination or renegotiation.

Applicable law, including the State Public Contract Code, requires the County to award construction contracts to the Lowest Responsive and Responsible Bidder, which refers to the firm that: (1) submits the bids with the lowest cost; (2) is deemed by the County to be "responsive" to specific criteria under the solicitation, including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a "responsible" bidder by exhibiting the quality, fitness, capacity, experience, and trustworthiness to satisfactorily perform the work required under the bid solicitation.

To ensure that the contract is awarded to the Lowest Responsive and Responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the contractor's State License Board, labor law/payroll violation, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The project specifications contain provisions requiring the contractor to report solicitations of improper consideration of County employees and allowing the County to terminate the contract if it is found that the contractor offered or gave improper consideration to County employees.

ENVIRONMENTAL DOCUMENTATION

On June 1, 2010, your Board found the project to be categorically exempt under the California Environmental Quality Act.

CONTRACTING PROCESS

The design and preparation of the plans and specifications were completed by Public Works' in-house staff.

Advertising for bids will be in accordance with the County's standard Instruction Sheet for Publishing Legal Advertisements (Attachment B).

As requested by your Board on February 3, 1998, this contract opportunity will be listed on the Doing Business with Us website.

Participation by Community Business Enterprises (CBE) in the project is encouraged through Public Works' Capital Projects' CBE Outreach Program and by monitoring the good faith efforts of bidders to utilize CBE.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of this action will have no negative impact on current County services or projects. The park will remain fully operational during the construction of the proposed improvements.
